

# Customize!

## Be Wise

You can order many of the material in this catalog customized with your local information!

“ The products and [custom] service are great. I had forgotten about the raised imprinting. It adds a nice touch to the quality and even increases the stiffness of the sign. Thanks for your attention to detail and getting it right the first time. ”

Dennis F. Barger  
County of Mono Public Health Department

### Have your own ideas?

TECC can provide other kinds of customized advocacy material.
